

Instant Legal Compliance. Virtually Instant Profits.

When you provide the CSR Readiness Suite to your small and mid-sized business customers, you not only offer them assistance with legal compliance, you secure almost immediate ongoing revenue for your company. As a subscription service, you will invoice them monthly for five critical data protection services:

1. CSR Readiness™
2. CSR Breach Reporting Service™
3. CSR Readiness Policies
4. ID StaySafe™ Enhanced Listings
5. CSR Partner's Core Services

This complete, comprehensive set of services protects your customers, and sets you apart as a data security provider.
